

Edson Valle

ARCHITECTURE DESIGNER / BIM COORDINATOR/PROJECT MANAGER

Experience in BIM Technology, COBie, RIBA stages, ISO19650, OIR, PIR, EIR, AIR, BEP, management, site visits and client meetings. Knowledge in small to medium projects for high end residential construction, commercial with some MEP. Problem solver & creative.

EDUCATION/ACHIEVEMENTS

- 2021-2022 **Master's degree – Universtiy of West of England (UWE) / Juror**
Building Information Modelling in Design and Construction Operations
Masters BIM Program Rep & Juror for 2nd year architecture studio at UWE
- 2017 **Cert - Rochester Institute of Technology (RIT-x) & Delft Uni (Delft-x)**
Project Mgmt Life Cycle, Best Practices for success, International Mgmt, Sustainable Energy, Forensic Engineering, Managing Building Adaptation
- 2009/'10-'11 **Tutor & Teacher Assistant – CCNY / City Tech**
2nd & 4th year architecture studio & private architecture lessons
- 2003-2009 **Bachelor's degree – City College of New York (CCNY)**
Architecture Degree w/thesis

WORK SKILLS – TEAMWORK & PRODUCTION

- Jan 2024- Present **ATD – Arch Design, BIM coordination, PM (Freelance work)**
Residential work and temporary structures. Drawing reviews, deliverables, time sequence, clash detection, models processing, partial MEP.
- Dec 2022- Dec 2023 **BLU-3 – UK & Global (Hybrid work)**
3D BIM Coordinator International
BIM collaboration & design management for projects in Frankfurt, Vienna, Madrid, London, Amsterdam. Clash detection with BIM tools, partial MEP.
- May 2022- Dec 2022 **TIES Advanced Logistics, UK (Remote work – UWE placement temp)**
BIM Asset Tagging Coordinator/Management
BIM managing and asset tagging for prototype multi-purpose projects. Audited 3d models/4d schedules, reported clashes w/ COBie&UK standards.
- Jan 2022- May 2022 **COSTAIN – London, UK (Virtual work) – Master Program Placement**
BIM assistant coordinator - Group leader- HS2 project
Reviewed 3d models and audited BIM elements and asset tagging using Bentley ITwin. Reported clashes, updated LOMI, ITP charts, partial MEP.
- March 2017- Oct 2021 **RELA (Robert Elliott Leslie Architecture) – Manhattan, NYC**
Project Manager/Arch Designer/BIM Coordinator
Used BIM in 3d models & 4d schedules for High-end Coops/ Condos design development, and partial MEP. Assisted Managers, visited job sites.
- Jan 2014- March 2017 **CRSG (Construction & Realty Services Group) – Long Island, NY**
Senior Drafting Manager/BIM Assistant/Inspector
Collaborated for demolition, support of excavation, design and construction projects. Used BIM for revisions & partial MEP work. Visited job sites.
- May 2011- Dec 2013 **MJM Engineering/PSI Agency – Long Island, NY**
Project Manager/BIM Support/Site Inspector
Managed home projects and site operations for renovations/additions, interior alterations, demolitions, MEP and solar energy design using BIM.
- Jan 2010- May 2011 **Century Consulting Inc – Long Island, NY**
Project Designer/BIM Coordinator
Created drawings, reports, diagrams, and 3d models using BIM for design schemes, MEP, scheduling & budgets. Provided revisions and visited sites.

WORK SKILLS – LEADERSHIP & DESIGN

- Dec 2022-
Dec 2023 **BLU-3 UK & Global**
Created as-built drawings, set up standards & templates. Revised IFC drawings. Led team coordination for models changes and design.
- March 2017-
Oct 2021 **RELA (Robert Elliott Leslie Architecture) – Manhattan, NYC**
Project leader and organizer for RELA office renovation, Penthouse and high end renovations/additions. Took initiatives in coordinating with other members by producing progress reports, template & proposals. Reviewed contracts, advised clients, reviewed contractor work, mitigated risks. Produced filing sets and renderings for renovation.
- Jan 2014-
March 2017 **CRSG (Construction & Realty Services Group) – Long Island, NY**
Directed team of junior engineers and drafters to resolve conflicts in demolition, support of excavation, and project designs. Interviewed upcoming candidates and gave drafting tests to see their skill levels. Provided feedback to Seniors Engineers and team members. Produced sets for support of excavation, demolitions, design and safety.
- May 2011-
Dec 2013 **MJM Engineering/PSI Agency – Long Island, NY**
Produced report templates and assigned team members to check on critical areas of the construction progress. Helped engineers and inspectors in solving problems during during project management and job sites. Produced sets for house additions, solar, demolition and safety.
- Jan 2010-
May 2011 **Century Consulting Inc – Long Island, NY**
Delegated tasks and assisted Engineers to perform soil and lab samples. Produced lab manuals and forms to help pass lab inspections.
- Feb 2009-
Jan 2010 **BB Sheet Metal – Queens, NYC**
Drafted portions of flashings and building protection membranes for schools/warehouses using Autodesk softwares.
- March 2008-
June 2009 **AC Hocek Architecture – Manhattan, NYC**
Drafted designs for sustainability in modular homes. Created renders presentations for clients using Autodesk and Adobe softwares.
- Jan 2007-
March 2008 **ASAP Expediting Corp – Brooklyn, NY**
Provided schematic drawings, filing sets, 3d renderings and 3d animation. Prepared filing sets and presentations using Autodesk and Adobe Suites.

ARCHITECTURE COMPETITIONS

- 2012 **Aleutan Housing Design Challenge – Alaska, USA**
Sustainable House for prototype production
- 2011 **Design Against the Elements International – Manila, PH**
Master Plan for House types, daycare and community centers
- 2010 **Shed Design National Competition – New York City, USA**
Proposed extension to detached house
- 2010 **National House Competition – Louisiana, USA**
Housing Development Concept (post-hurricane Katrina)
- 2010 **Land Art Generator International – Abu Dhabi, AE**
Ecoland Generation Highway station
- 2009 **Evoló-Arch Skyscraper International – New York City, USA**
City Tower at South Street seaport
- 2007 **IFHP Radovic International – New York City, USA**
Pier 1 renovation at Riverside
